

Parking Guide

Sage Cancer Care
1836 NE 7th Ave #205, Portland, OR 97212
Front Door Code #2020

We want to make parking for your visit as easy as possible. The timed parking around the building is usually available and so far we've never had an issue with ticketing when parked there all day. To take the stress away, we are offering to pay a ticket for you if you happen to get one. If you still prefer neighborhood parking and don't mind a short walk, the above map will help you with that. I find that San Rafael street (upper left corner of map) usually has a few open spots, and you'll walk 3-4 blocks to get back to the front door. The tiny parking lot is usually full for this building, but feel free to check. Please arrive 15 minutes before your appointment to take the stress out of parking and to fill out any paperwork prior to your visit.

See you soon,
